

Graduation Survey Results

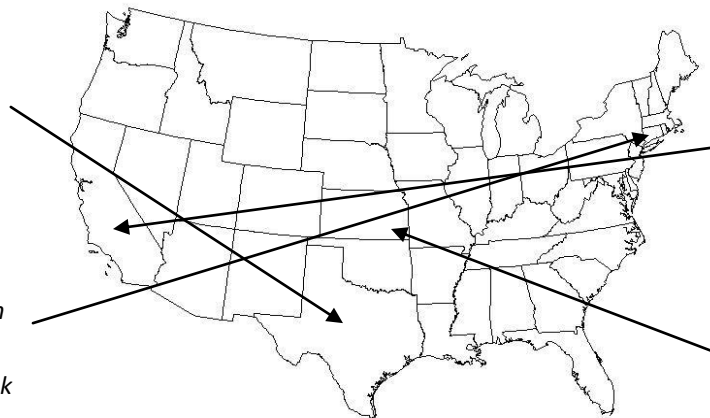

Average Score of Achiever's surveyed is 4.5

What our Achievers from across the United States of America are saying about their experience in Business Access

Texas – *This is a great program regardless of what career level you're at because you can always learn something new!*

Connecticut – *Business Access is a good program and has helped me out a lot. I rate BA at a 5. Thank you!*

California – *Some of the lessons were challenging but at the end BA taught me to be able to overcome these challenges and I was successful*

Kansas – *It was very helpful in my choice of job skills, very interesting, and I learned things I had never known previously.*
